Keating of Colorado and Representative entente allies the task will be weather roday was bright and tive Calloway of Texas, said they had promised their constituents to oppose a continuation of the tax and that they intended to keep fulth with them.
The chairman, Representative Sanders of Virginia said the capture rules of Virginia, said the cancus rules would not be binding upon them under the circumstances.

Majority Leader Kitchin, who presented the proposal tonight and who will introduce the resolution, warned the members that they must do their ntmost to have all democrat members on the floor Thursday. Otherwise, be said, grave danger would be ahead of

Mr. Kitchin, was interrogated extensively on revenue plans generally and was on the floor almost an hour. SAN PRANCISCO, Calif. Dec. 13, their appearance Several representatives who had threatened a fight on any plan to exthreatened a fight on any plan to ex-tend the law indefinitely remained dute when the limited time proposi-tion was broached.

When the substance of the consularies and count and have been at liberty of Mrs. Margaret W. Cornell, in secret \$16,000 ball, while Mrs. Correll, an

tion was broached.

Representative Kitchin explained after the cancus that the year's extension did not mean necessarily that the tax would be imposed during this full period. Its future will depend, he said, solely upon what course other revenue legislation takes. It is possible, he said, that the present tax law will be entirely repealed, or amended materially. Mr. Kitchin's extinct that if the present administration plans carry, and the teriff is kept on sugar \$125,000,000 more than that the defendants, all of whom had been arrested previously

Up to tonight his agents were unsuc-

cessful in their quest. •

Accompanying the orders was a copy of a letter from the United States consul general at Capetown to States consul general at Capetown to federal officials at Washington. De scribing the plight of the women and children forced to remain in the territory of an enemy country against their wishes, the letter explained that the trouble arose over refusal of the Eritish steamship lines to take them as passengers. This action, it was explained, was not due to any antipathy from the steamship lines but fic in the vicinty of New York, and clude treight originating on all conbecause of feeling that existed among 'in order, if possible, to avoid an necting lines, and destined to ti
